The Cheshire & Warrington Sports Partnership embraces a wide range of organisations providing a range of services and, with the appropriate structures in place, will continue working to create a single infrastructure for sport and physical activity which will be of added value and benefit to the residents of Cheshire and Warrington.

Sport England exists to sustain and increase participation in community sport. It is a non-departmental public body and National Lottery distributor. Sport England's ambition is to get two million people participating more in sport by 2012. Sport England does this by promoting, advising and investing in community sport.

Sport England has been a statutory consultee on planning applications affecting playing fields since August 1996. Sport England objects to any application that is detrimental to sport, unless alternative provision of at least equivalent value.
